UNIVERSAL KIDS

- Integrated learning and certification program of computer knowledge for primary school children (6-12 years old)
- Three-year program with three sets of books (book and exercise book) and interactive teaching CD-ROM (or self-teaching)
- Experiential scenarios are used to help the child get trained through stories that evolve successifully and in an environment familiar with events from school.
- Assessment exams at the end of each year as a reward for the child's effort
- First year is **FREE** of charge!

UNICERT PROFESSIONAL
«Executive Management Secretary»

The certification provides a valuable asset in today's labor arena, taking into account the constant transition of the situation.

The prerequisites for participation are:

- Certificate of secondary education or apprenticeship schools of O.A.E.D.
- Computing Science Knowledge or Computer Use Certificate corresponding to Unicert Primary for modules 2, 3 and 4

The certification exam consists of two parts of 45 minutes each, to answer 28 questions:

- MULTIPLE CHOICE type, for the theoretical part,
- SCRIPT TYPE for the practical part, which deals with advanced knowledge and skills in office applications (corresponding seven questions for each module of Unicert Advanced certification)

and the passing grade is 70%.

Postgraduate Programs Basic Features

In today's demanding reality, each graduate wishes to have a postgraduate degree but does not do so for lack of time and money. Our postgraduate programs provide solutions to both, through open program of on-line studies, while forming an advantageous financial proposal.

- ✓ They have recognition from the **DOATAP**
- ✓ Shortest duration of studies is 3 semesters
- ✓ Affordable fees, up to 34 installments
- ✓ Classes are held by distinguished **professors of Greek Public Universities**
- ✓ Lessons are conducted in the **Greek** or **English** language (if it is demanded)
- ✓ They cover **many specialties**
- ✓ Examinations are conducted in the **52 counties** of Greece
- ✓ Anthropocentric approach and excellent academic support
- ✓ Students support through sophisticated e-learning platform with synchronous & asynchronous communication features

Competition in Postgraduate Programs

Competitors	Disadvantages
Greek Public Universities	• High cost (up to 7000 approximately) • Few candidates • Prerequisites • Daily attendance to lessons
Hellenic Open University	• Limited number of candidates annually • Disbursement in 8 installments • Social or economical prerequisites
Colleges	• High cost of fees • Certifications are **NOT** accredited by **DOATAP** • Daily attendance to lectures
Private Cyprus Universities	• Slightly higher cost • **Restricted** network of information centers • Examinations in 3 or 4 cities • Problems with DOATAP

THE EXAMINATION SYSTEM OF UNIVERSAL CERTIFICATION SOLUTIONS - UNICERT WAS DESIGNED & DEVELOPED IN ASSOCIATION WITH UNIVERSITY OF PIRAEUS RESEARCH CENTER
UNICERT Universal Certification Solutions

Enrollment: Steps

(pre-registering)

1. People fill in the **application form** attaching the **supporting documents** and send them to a certified center all over Greece (http://frederick.edu.gr/?p=199#collaborators).
1. The center sends through the partner's platform the necessary documents to Unicert (my.unicert.gr).
2. Unicert checks again the documentation and sends them to the University.
3. The University checks the documentation and approves for the progression of the procedure.
4. Taking into consideration the Hellenic bank system, a certification of bank enrollment is issued.

(registering)

The candidate makes the **first deposit of the fees** in the account of Cyprus University.
